Attached hereto is a chart listing what it believes are the disputed exhibits that the government will seek to introduce at trial on May 28, 2019, during the direct examination of Special Agent Robert Berger. The attached chart sets forth the exhibit numbers, a description of the exhibits, the defendant's objections, and the government's responses.

The government sent a list of these disputed exhibits to the defense on Sunday, May 26, 2019, at approximately 9:10 a.m., and requested an update on defense objections. As of Monday, May 27, 2019, at approximately 7:09 p.m., the government had received no update.

With respect to exhibits to which defendant has previously stated he has no objection, the government will seek the Court's authorization to admit those before direct examination begins in the interest of expediency and conserving trial time.

Dated: May 27, 2019

Respectfully submitted,

NICOLA T. HANNA
